

A seminar invitation in co-operation with:

Helping ambitious businesses
grow internationally

**INVITATION & PROGRAM
SEMINAR – LIFESCIENCE – FREE OF CHARGE!
IN THE WEST SWEDEN CHAMBER OF COMMERCE IN GOTHENBURG
– JUNE 21, AT 08:00 – 11:00**

Please, register on:

www.vastsvenskahandelskammaren.se/kalender/healthcare-and-life-science-21-juni-2023/

The first LifeScience business contact project in 2022 for Swedish companies to Northern Germany and Region Hamburg, was very successful, with the first LifeScience business trip to Hamburg.

That is why we decided to proceed this business strategy and to invite and develop the business possibilities for Swedish LifeScience-companies in Germany.

COMING UP SOON:

1. LIFESCIENCE-SEMINAR IN GOTHENBURG ON JUNE 21

In this LifeScience seminar in Gothenburg, we will inform the attending companies, about possibilities for international business, with the start in Region Hamburg.

We also want to give the companies exclusive information about the German LifeScience market and also give information about the useful help for their international business development – financial help in Sweden – practical help and assistance in Region Hamburg – and the consultancy assistance during the whole process.

This seminar is free of charge!

Please, read the seminar program for June 21 below and how to sign up to the seminar!

NEXT IN SEPTEMBER:

2. BUSINESS TRIP TO HAMBURG IN SEPTEMBER 13-15

To develop the international business opportunities, to receive exclusive information and contacts on site in Germany, to start business in Northern Germany, we now again invite LifeScience-companies for a new business trip to Hamburg.

The international business can start in Region Hamburg, but then proceed to other areas in Germany, or to other countries in Europa, or even outside Europe.

The invitation to the business trip in September, will be sent out separately.

Program – the Seminar in Gothenburg:

Time:

Wednesday JUNE 21, from 08:00 – 11:00
